You could

- Strengthen Biblical Foundations
- Create New Disciplines
- Establish Accountability through relationships
- Gain freedom and healing, with the tools to stay free.

Each session includes Biblical truths with dynamic illustrations and practical applications.

The foundational principles presented are:

- **Session one: *Walk in the Spirit.***
Learn how to walk following the leading of the Spirit.
- **Session Two: *Commit Everything to God.***
Learn how to trust the Lord and follow His direction
- **Session Three: *Speak Words of Life.***
Discover how words can be received , retained, and reproduced.
- **Session Four: *Enter the Cleansing Stream.***
See God's plan for restoration and ruler ship.
- **Session Five: *Press toward the Goal.***
Learn to continue the Journey you've begun.

With the basic workshop done at the church and participation at the retreat, the Lord will set you on a path of growth and enable you to serve him and his body from a place of greater wholeness. For some it will be another step on a journey that has begun long ago, for others it will be the beginning. Whichever it is our prayer is that you will be able to say with so many others...

“God used this to change my life forever!”
