Our Purpose

Couples for Christ is a ministry devoted to encourage, build, and enhance married couples in the way God has designed them to be. A place where couples can meet other couples and grow in the common areas of relationship.

Marriage was instituted by God and it takes God in your marriage for any marriage to work. We are here to help you find and use the tools God has given us to make our marriage and family work to glorify Him.

God used marriage to display His relationship with Israel and the Church of Jesus Christ. Therefore we are committed to help each family accomplish His goal of producing a Godly seed for His glory (Malachi 3:15) and Godly relationships that will honor the Lord Jesus Christ before a lost and hopeless society. (Romans 8:14 &19).
