

Program Goals

Our Goals are to provide your child with a well balanced, "Child Centered" atmosphere, with plenty of play and exercise to develop both large and small motor skills. Where learning is an adventure through discovery while practicing good Christ like habits.

"Train up a child in the way he should go; and when he is old, he will not depart from it."

Proverbs 22:6

Our Philosophy

Jesus said to Simon Peter, "Simon son of John, do you truly love me more than these?" "Yes, Lord," he said, "you know that I love you."

Jesus said, "Feed my lambs."

John 21:15

- We believe the Bible to be the Word of God and it is our source to operate this ministry.
- We believe it is our responsibility to use our God given gifts to teach children the love of Christ and the way to salvation.
- We believe in prayer at our preschool to build the mind and character of the child.
- We teach scriptural morals and values. We believe that these truths will allow them to develop a strong Christ like character in a happy secure environment.
- We believe in unconditional love to all children regardless of their color, ethnic origin, or creed.
- We believe in smaller class settings to better nurture your child on a more individual basis.
- We are a child centered program where we learn through discovery and play.
